8th grade Drug Research project

Your group will work together to research Tobacco and Marijuana and create a Power Point presentation. Follow these steps to guide you for this project.

1. Use internet websites and books to do research. Answer all questions “Notes on drug”.
2. To access the internet websites:
   1. Go to N. Bethesda Middle School website.
   2. Go to “Projects”
   3. Go to “8th grade”
   4. Click on “Drug research”
3. When we are in the Media Center, use at least one book as a resource for your research.
4. Bibliography:
   Use a minimum of 3 resources for your research, which includes one book and two internet websites. Your Bibliography should be in the proper format and included in your last page of the Power Point.

Use Noodle-Bib:
1. Sign on the computer with your username and password.
2. Click on “Media”.
3. Double click Research Resources”.
4. Double click “Noodle tools”.
   Personal i.d.: your login
   Password: your password
