Important Place Research Sources and Notes

For this project, you will first consult at least TWO (2) sources for information about the IMPORTANT PLACE that you selected.

STEP 1:
In the box below, list your sources. (For this project, you are just copy and pasting the title + link from NB website -- for future projects we will use Noodletools to create our own Works Cited page.)

Example

<table>
<thead>
<tr>
<th>Sources consulted for Bethesda Theater</th>
<th>Follow the examples: Name of Source</th>
<th>URL</th>
</tr>
</thead>
</table>

Now, you fill in your sources -- you need at least TWO -- you will find these on the NB Media Center’s website page for this project:

http://nbms.montgomeryschoolsmd.libguides.com/nbmsmediacenter/settings
**STEP 2: TAKING NOTES**

Using these sources, write down your notes -- copying and pasting from the website is fine -- in the spaces below. **For each note, you must list the source by the number.**

*See sample!*

The Bethesda Theater is located at
__________________________________________ (1)

**What is the location?**

Proper name:

Common name (if different):

Specific location:

What is it?

Who built it?

For whom was it built?

When was it built?

Who decided to build it?

Why was it built?

What are the physical characteristics of this landmark? What is it made of? Why?

How was it built?

How has this landmark changed over time?
Why is the location historically significant?
(you need at least 4-5 entries)
Important Events:

Important People:

How are the location and its history relevant today?
(you need at least 4-5 sentences describing current use, relevance)
How is it used today?

How have the events and/or people associated with this location influenced society?
